

2024 asia energy storage conference lebanon

Overview

What is the China energy storage Alliance?

The China Energy Storage Alliance is a non-profit industry association dedicated to promoting energy storage technology in China.

Why did fluence energy close in 2024?

The Spanish multinational closed the year 2024 with 120 GW of commissioned AC power, preventing the release of more than 119.42 million tons of CO2 into the environment. Fluence Energy, Inc. (Nasdaq: FLNC) is a global market leader delivering intelligent energy storage and optimization software for renewables and storage.

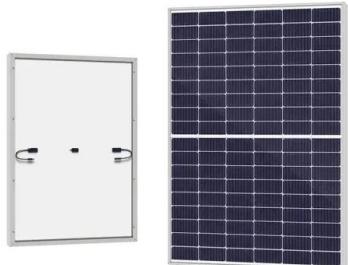

Why should you attend ESGC 2024?

The ESGC 2024 edition joined by over 400 people provided valuable insights on energy storage and showcased itself as a leading event for the industry giving access to current knowledge and important contacts in the field.

When is ease 2022?

The conference's fifth edition will be held on 11 – 13 October 2022 and is organised by EASE - The European Association for Storage of Energy, with the support of the European Commission's Joint Research Centre, as a 100% hybrid event at Hotel Le Plaza in Brussels, as well as online.
