

## Cesa energy storage conference

## Overview

---

The 16th Annual CESA Market Development Forum (MDF) will be held at the Hyatt Regency Mission Bay Spa and Marina in San Diego, CA, on October 14-15, 2025.

The 16th Annual CESA Market Development Forum (MDF) will be held at the Hyatt Regency Mission Bay Spa and Marina in San Diego, CA, on October 14-15, 2025.

This is your opportunity to connect with energy storage leaders across policy, utilities, development, and technology sectors. Join us for two days of cutting-edge sessions, real-world insights, and meaningful networking that will help shape California's energy future. Steering Committee, General &

As a CESA member, you'll gain exclusive access to industry insights, advocacy efforts, policy updates, networking opportunities, and resources to help your business thrive. If you missed the online registration deadline, don't worry—onsite registration will be available for the 16th Annual CESA.

Join us for the 16th Annual CESA Market Development Forum (MDF) on October 14-15, 2025, at the Hyatt Regency Mission Bay Spa and Marina in San Diego, CA. This invite-only gathering brings together regulators, utilities, and energy storage leaders to discuss the evolving role of storage in advancing.

The 16th Annual CESA Market Development Forum (MDF) will be held at the Hyatt Regency Mission Bay Spa and Marina in San Diego, CA, on October 14-15, 2025. Traditionally an invite-only gathering, new this year, the event will be open to non-members —welcoming broader participation from across the.

This CESA report surveys the causes of electricity load growth and outlines what the states are doing to meet the challenge. A new report compiles research on best practices for designing solar programs that provide meaningful benefits to low-and-moderate income households. The report examines.

We're pleased to share these valuable energy storage and clean energy-focused industry events produced by CESA and/or other organizations. Friday, October 3rd is your final chance to register online if you plan to attend the 16th Annual CESA Market Development Forum (MDF) on October 14-15 at the. What is the China energy storage Alliance?

Subscribe to our newsletter The China Energy Storage Alliance is a non-profit industry association dedicated to promoting energy storage technology in China.

What does the CESA report tell us about electricity load growth?

This CESA report surveys the causes of electricity load growth and outlines what the states are doing to meet the challenge. A new report compiles research on best practices for designing solar programs that provide meaningful benefits to low-and-moderate income households.

Why should you join CESA?

As a CESA member, you'll gain exclusive access to industry insights, advocacy efforts, policy updates, networking opportunities, and resources to help your business thrive.

What is CESA scaling up solar?

Solar power is now the cheapest form of power worldwide, but not all households are able to access it. CESA's Scaling Up Solar is a wide-ranging initiative to help states bring the financial, environmental, economic, and health benefits of solar to all Americans, regardless of income. CESA publishes several free e-newsletters.
