

ESS container project financing options in Singapore 2025

Overview

What are Singapore's maritime shipping projects for 2025?

Singapore's maritime shipping projects for 2025 emphasize the country's commitment to developing the marine sector through technology, environmental considerations, and performance improvements. Many of these projects contribute to Singapore's current status as an international Maritime city and lay the foundations for future growth.

What is EFS & how does it work in Singapore?

Encourages Long-term Capability Building: By offering financing for activities like automation (via fixed asset loans), international expansion (project loans), and acquisition of other firms (M&A loans), EFS is aligned with Singapore's broader push for companies to transform and upgrade. It nudges companies to invest in productivity and growth.

What is enterprise Financing Scheme (EFS)?

The Enterprise Financing Scheme (EFS) is a government-backed financing program in Singapore that streamlines multiple SME loan schemes into one umbrella. Launched in October 2019 by Enterprise Singapore (ESG) (a government agency under the MTI), it consolidated eight previous schemes (from former SPRING and IE Singapore) into a single platform.

Who manages EFS-Green & Enterprise Financing Scheme (EFS-Green) in Singapore?

The Monetary Authority of Singapore (MAS) also supports related initiatives (for example, MAS launched a Green and Sustainability-Linked Loan Grant Scheme complementary to EFS-Green), but the EFS itself is chiefly managed by Enterprise Singapore. Enterprise Financing Scheme Program.

What is Singapore doing in 2025?

Singapore remains an active member of international maritime organizations

that develop standards in the global shipping industry. Singapore's maritime shipping projects for 2025 emphasize the country's commitment to developing the marine sector through technology, environmental considerations, and performance improvements.

When will the support for domestic projects for construction enterprises be extended?

As announced at Budget 2024, the support for domestic projects for construction enterprises will be extended until 31 March 2025. The Enterprise Financing Scheme – Project Loan (EFS-PL) finances the fulfilment of secured overseas projects. The supportable loan types include:
