

ESS container supplier quotation in Luxembourg 2026

Overview

Why should you choose ESS battery energy storage systems?

Marine ESS: ESS provides targeted solutions for large ships or cargo ships, outputting clean and safe energy for ships. Why Choose Our Containerized Battery Energy Storage Systems?

OEM/ODM Services: As an experienced manufacturer and supplier, we offer OEM/ODM services to meet the specific requirements of your energy storage needs.

How can a company become a supplier to ESS?

This page serves as an overview of the entry points to ESS, providing guidance on how companies can become suppliers to ESS. Companies interested in ESS business opportunities can register a business profile in the ESS Supplier Portal to enable matching of potential suppliers with ongoing procurements.

Where can I find current business opportunities at ESS?

Current and forthcoming business opportunities at ESS are posted in the Procurement Listings. Completed tenders are published quarterly in the Contract Award Notices. All procurement follows the European Spallation Source ERIC Procurement Rules, which align with the EU treaty principles of transparency, non-discrimination and competition.

What is the Supplier Portal?

The Supplier Portal is an electronic tendering system used to publish tenders and relevant documentation and to receive submitted bids for ongoing procurements. Current and forthcoming business opportunities at ESS are posted in the Procurement Listings. Completed tenders are published quarterly in the Contract Award Notices.
