Overview

Does Bangladesh Bank promote SMEs' access to finance in Bangladesh?

Aziz and Siddique, "The role of Bangladesh Bank in promoting SMEs' access to finance in Bangladesh." International Journal of SME Development, Issue 2, 2016, reviews the role of the Bangladesh Bank in promoting SME financing and development. It also summarizes the various financing support provided by the Bangladesh Bank. 23.

How e-banking services are being used in Bangladesh?

In Bangladesh, the rapid growth of ICT services has led to the growing use of technology for the delivery of financial services. Banks and NBFIs have adopted ICT for a range of services, including e-banking. Several NBFIs, such as IDCL, are using technology to simplify loan applications and approvals using online transactions.

How can Bangladesh improve MSMEs' access to finance?

In line with its Vision 2021, the government has sought to improve MSMEs' access to finance through multiple channels. Bangladesh is famous for pioneering the global micro-credit revolution based on group guarantees and the total banking sector lending to MSMEs almost tripled from 2010 to 2016.

Should the Bangladesh Bank consider a success case for MSME finance?

Nevertheless, success cases such as Brac Bank, the Industrial Development Leasing Company (IDLC), and Prime Bank deserve some credit. The Bangladesh Bank would benefit from undertaking an evaluation of past schemes, guidelines and success stories to inform future MSME finance policies.

What is a mobile financial service (MfS) in Bangladesh?

The system has two components, namely the Automated Cheque Processing System (ACPS) and the Electronic Funds Transfer (EFT). The Bangladesh Bank

has also encouraged the development of Mobile Financial Services (MFS), with the objective of expanding access to banking services and expediting the delivery of remittances; however, there are challenges.

Why is Bangladesh focusing on SMEs in 2021?

In line with its Vision 2021, the Government of Bangladesh has increasingly focused on MSMEs, including access to finance. Under the Bangladesh Bank's leadership, the initial focus was on micro-credit, with an increasing emphasis on SMEs since 2011.
