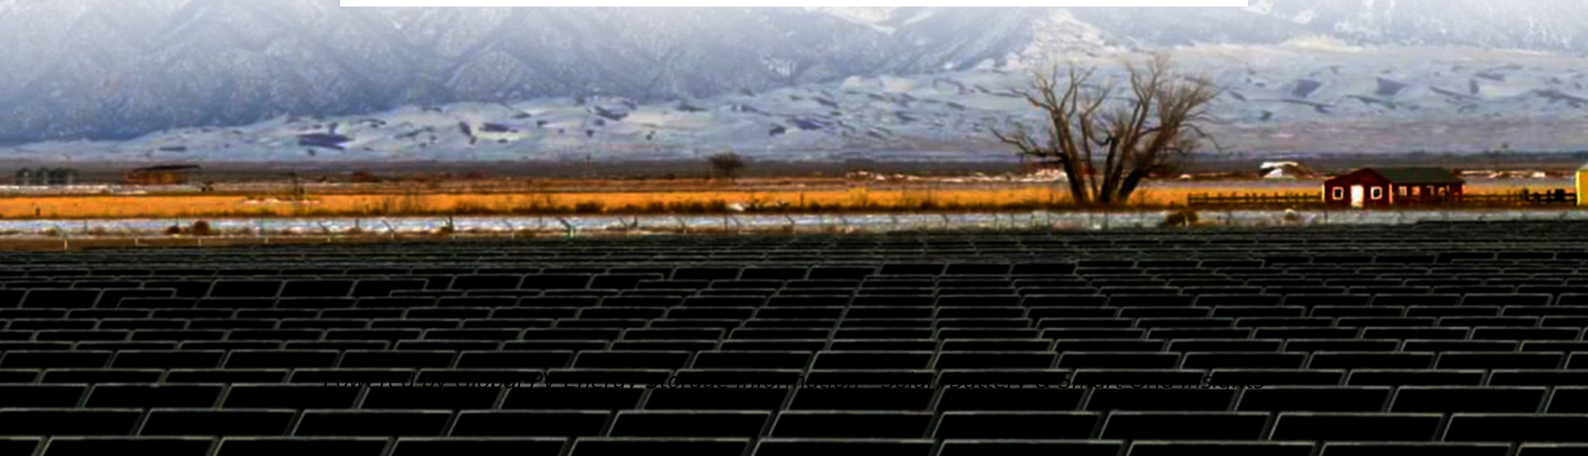
Enterprise ESS system project financing options in Bangladesh 2026



Overview

Does Bangladesh Bank promote SMEs' access to finance in Bangladesh?

Aziz and Siddique, “The role of Bangladesh Bank in promoting SMEs’ access to finance in Bangladesh.” International Journal of SME Development, Issue 2, 2016, reviews the role of the Bangladesh Bank in promoting SME financing and development. It also summarizes the various financing support provided by the Bangladesh Bank. 23.

Should the Bangladesh Bank consider a success case for MSME finance?

Nevertheless, success cases such as Brac Bank, the Industrial Development Leasing Company (IDLC), and Prime Bank deserve some credit. The Bangladesh Bank would benefit from undertaking an evaluation of past schemes, guidelines and success stories to inform future MSME finance policies.

How can Bangladesh improve MSMEs' access to finance?

In line with its Vision 2021, the government has sought to improve MSMEs’ access to finance through multiple channels. Bangladesh is famous for pioneering the global micro-credit revolution based on group guarantees and the total banking sector lending to MSMEs almost tripled from 2010 to 2016.

How e-banking services are being used in Bangladesh?

In Bangladesh, the rapid growth of ICT services has led to the growing use of technology for the delivery of financial services. Banks and NBFIs have adopted ICT for a range of services, including e-banking. Several NBFIs, such as IDCL, are using technology to simplify loan applications and approvals using online transactions.

Should Bangladesh Bank migrate financing schemes to state-owned financial institutions?

As state-owned financial institutions strengthen, the Bangladesh Bank should migrate financing schemes to these institutions, thus avoiding any perceived conflicts of interest as regulator, supervisor and on-lender to financial institutions. Addressing financial infrastructure weaknesses is critical.

Should Bangladesh Bank refocus on MSMEs?

The Bangladesh Bank would benefit from undertaking an evaluation of past schemes, guidelines and success stories to inform future MSME finance policies. The Bangladesh Bank should refocus its attention on the most constrained among MSMEs and broaden its policy emphasis beyond the banks.
