

## Expected ROI of modular ESS container project in Vietnam 2025

## Overview

---

How a Bess project is promoting energy storage in Vietnam?

Encouraging domestic enterprises to invest in new technologies will promote the growth of the energy storage industry in Vietnam. Investment in BESS projects in Vietnam is attracting the attention of international partners due to the country's strong potential for RE development.

How are re and Bess projects funded in Vietnam?

FIGURE 18. Domestic funding and capital sources for RE and BESS projects in Vietnam such as Vietcombank, BIDV and VietinBank, provide concessional loans for RE projects, often backed by government guarantees or support.

Why do we need a Bess deployment in Vietnam?

The rapid development of RE in Vietnam, particularly wind and solar power, requires BESS deployment to buffer the intermittency of these sources and ensure grid reliability.

## Expected ROI of modular ESS container project in Vietnam 2025
