

Expected ROI of residential ESS project in Zimbabwe 2026

Overview

What is Zimbabwe's New Economic Development Plan?

The Government of Zimbabwe has recently launched a new Economic Development plan that will run in 2 phases from 2021 to 2025 and phase 2 2026 to 2030. The phase 1 development plan dubbed NDS 1 (National Development Plan 1) has already been published and will take off from 1 January 2020.

What is the growth rate of Zimbabwe construction and infrastructure market?

Growing demand for Building Information Modelling, Modular construction, and building materials industry is being observed across the Zimbabwe Construction and Infrastructure market. Estimated construction and infrastructure growth of 6% CAGR is forecast globally between 2019 and 2026.

What is Zimbabwe's economic outlook for 2026?

Estimated construction and infrastructure growth of 6% CAGR is forecast globally between 2019 and 2026. Investment in large-scale infrastructure projects is one of the key strategies of Zimbabwe to fuel economic growth.

Why is Zimbabwe's commercial construction sector a key market opportunity?

Increasing public investments into Zimbabwe's commercial construction sectors will be a key market opportunity for the companies operating in the construction and infrastructure industry. The presence of a huge customer base is resulting in strong FDI (foreign direct investment) inflows into the country.

How can Zimbabwe fuel economic growth?

Investment in large-scale infrastructure projects is one of the key strategies of Zimbabwe to fuel economic growth. The government's effort to improve the country's infrastructure to sustain growth in the manufacturing sector and

expand municipal utilities will contribute to the growth in construction spending.

What is Zimbabwe's New Dispensation?

The ushering in of the New Dispensation in November 2017 saw the launch of Vision 2030 to chart Zimbabwe's new development trajectory. The Vision reflects the collective aspirations and determination of the people of Zimbabwe to achieve a Prosperous and Empowered Upper Middle Income Society by 2030.
