

Ganfeng lithium industry cooperates with energy storage projects

To Strive forward No Energy Waste

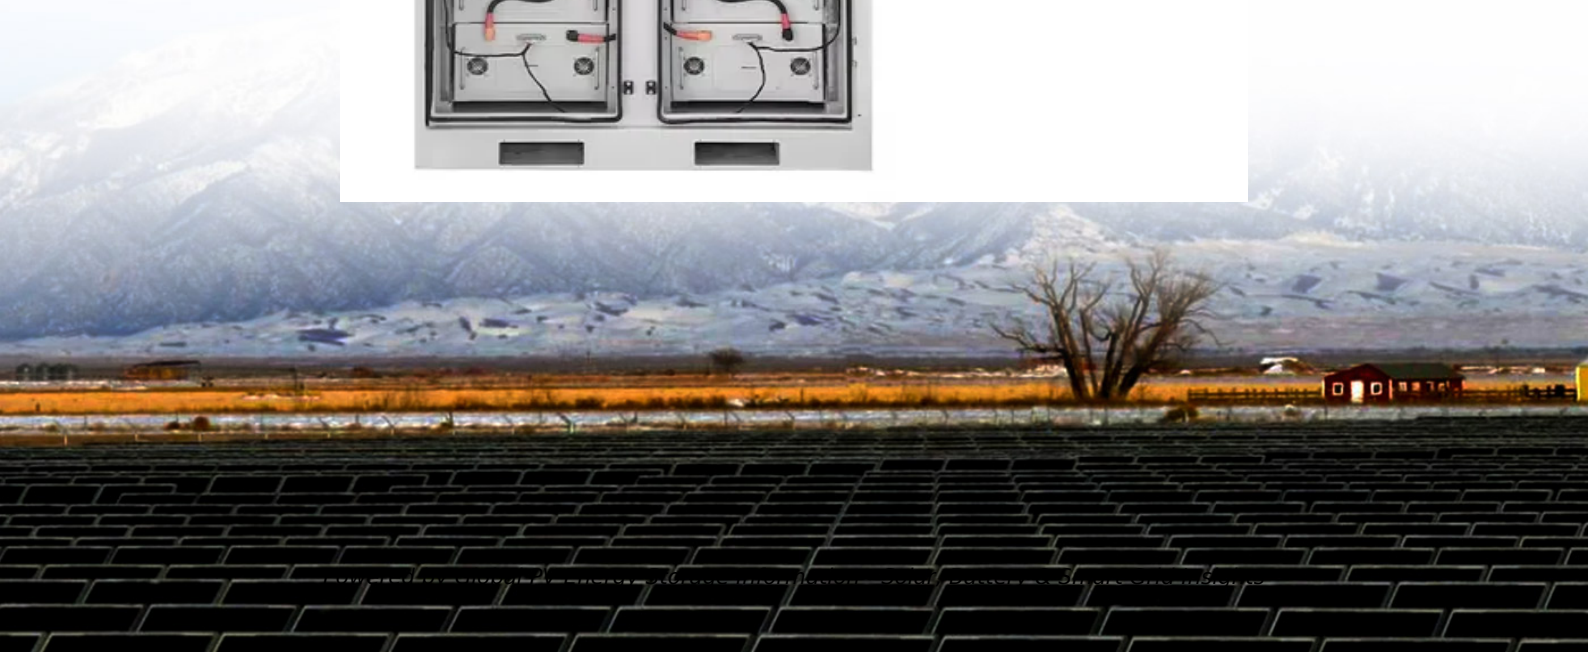

All in one

100~215kWh
High-capacity

Intelligent
Integration

Overview

Ganfeng launched its first 10MWh energy storage container system. Ganfeng Lithium officially joined the United Nations Global Compact. Signed a cooperation agreement with Hyundai Motor. Phase I of the Goulamina project in Mali, Africa commenced production.

Ganfeng launched its first 10MWh energy storage container system. Ganfeng Lithium officially joined the United Nations Global Compact. Signed a cooperation agreement with Hyundai Motor. Phase I of the Goulamina project in Mali, Africa commenced production.

Ganfeng Lithium, a global leader in battery materials, is betting big on its energy storage strategy to rewrite the rules. With lithium prices swinging like a pendulum and competitors breathing down their neck, they've launched two new subsidiaries—Yichuju Energy Storage Tech in Yunfu and Foshan—to.

On the evening of April 25, Ganfeng Lithium (002460) announced that it had signed a Framework Cooperation Agreement and a Strategic Cooperation Agreement with the People's Government of Gongshu District, Hangzhou, Zhejiang Province (hereinafter referred to as the "Gongshu District Government") and.

As the world's leading lithium eco-enterprise, Ganfeng Lithium's business segments cover from upstream 'lithium resource development', midstream 'lithium refinery and lithium metal smelting', to downstream 'lithium battery manufacturing and battery recycling'. Our products are widely used in EVs.

According to BJX.COM, on the evening of April 26th, Ganfeng Lithium released an announcement stating that the company plans to invest in the construction of a high-energy solid-state battery R&D and industrialization base in Gongshu District, Hangzhou, Zhejiang Province. Ganfeng Lithium, the.

Ganfeng Lithium announced that its wholly-owned subsidiary Ganfeng International has reached an agreement with Swiss Lithium Argentina AG (LAR) to jointly develop lithium resources in the Pozuelos Pastos Grandes Salt Lake Basin in Argentina. After the transaction is completed, Ganfeng

International.

On August 16, Ganfeng Lithium announced that its controlling subsidiary, Ganfeng Lithium Battery, had signed a cooperation framework agreement with Turkey's YIGIT AKU company to jointly expand their business in Turkey and globally. YIGIT AKU, established in 1976, is a publicly traded company in.
