

Household energy storage tender price in Egypt 2026

Overview

How to get latest Egypt government tenders & eProcurement notices?

Latest Egypt government tenders, RFP and eProcurement notices from the biggest online database of Egypt Tenders. Users can register to get info on eTenders, EOI, GPN and other public tenders from various industry sectors.

How will Egypt's new electricity regulations affect electricity prices?

This adjustment is part of the gradual removal of electricity subsidies and is aimed at fulfilling a loan agreement with the International Monetary Fund (IMF), expanding Egypt's loan program to \$8 billion. Under the new regulations, the increase in electricity prices will range from 14.45% to 50%, depending on household electricity consumption.

Are electricity prices rising in Egypt?

According to local media reports, the Egyptian government recently announced a significant increase in household electricity prices, with the highest rise reaching 50%.
