“ESG” (Environmental, Social & Governance) is a key factor for companies to achieve sustainable development. ESG is not only a responsibility but also a competitive advantage. “ESG” is a key factor for companies to achieve sustainable development. ESG is not only a responsibility but also a competitive advantage.

This event is co-organized by Adsale Exhibition Services Ltd and fully supported by all major Power Group Corporations and Power Grid Corporations. ES Shanghai 2025 will be held at Shanghai New International Expo Center, PR China from 18 – 20 November 2025, concurrently with the well-known brand.

Relying on the huge scale of “SNEC International Photovoltaic Power Generation Exhibition”, its international influence, and customers in the solar energy industry, the Shanghai New Energy Industry Association (SNEIA) launches the “10th SNEC ES+ (2025) International Energy Storage & Battery.

Shanghai International Energy Storage Technology Expo will take place from October 9 to 12, 2025 at the Shanghai New International Expo Center, bringing together global leaders in energy storage, hydrogen energy, and renewable integration. Co-organized by top renewable energy associations, the.

“SNEC (SNEC) ” 2007 1.5 2019 20 95 2000 30% .

The conference and exhibition theme will focus on promoting the development of new energy storage and green, low-carbon innovation of new generation power equipment. Invitation Facing the energy security, pollution and climate change, many countries have turned to new energy, and launched a series.
