Mingpu OptoMagnetic (002902.SZ): Products mainly include magnetic

On March 7, Gelonghui, Mingpu OptoMagnetic (002902.SZ) said on the investor interactive platform that the company's products mainly include magnetic components, optical ...

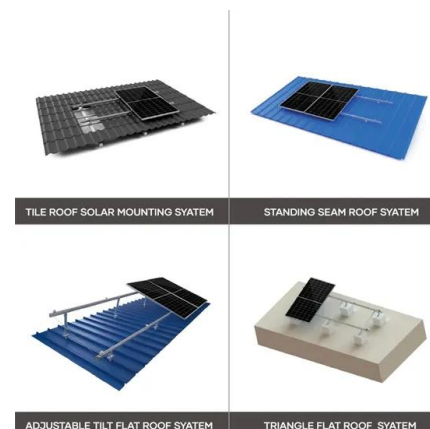

China's computational power gains new strength with 255

Chinese scientists unveiled a quantum computer prototype named "Jiuzhang 3.0" with 255 detected photons on Wednesday, once again pushing the boundaries of ...

Reduce costs and improve efficiency! Mingpu Opto-Magnetic ...

"As a research and development enterprise of "optical storage magnetizing components", Mingpu Optoelectronics is committed to making energy equipment more energy-efficient.

mingpu optical magnetic portable energy storage device

mingpu optical magnetic portable energy storage device Acquire the energy storage device and unlock the research ... In this video, Learn how to acquire the Energy Storage Device and ...

Mingpu optical magnetic: controlling shareholder Yang Xianjin ...

Mingpu optical magnetic announced that Yang Xianjin, the controlling shareholder, intends to transfer 2% of the company's shares to Dong Si by way of agreement ...
