

Mobile ESS unit project financing options in Panama 2025

Overview

What economic challenges will Panama face in 2025?

According to Bethancourt, one of the economic challenges in Panama in 2025 is navigating high interest rates in the United States, which could increase the cost of external financing and potentially reduce foreign direct investment. Corbett highlighted that Panama's economic growth in 2025 would depend on internal and external factors.

How will CSS reforms impact economic challenges in Panama in 2025?

Regarding the impact of CSS reforms on economic challenges in Panama in 2025, Aramburú-Porras stressed the importance of resolving the crisis in the Disability, Old Age, and Survivors (IVM) program, as it significantly affects the country's risk profile and public finances.

What is the budget for 2025 in Panama?

For 2025, the government of President José Raúl Mulino will operate with a General State Budget of \$26.084 billion, representing a 15% reduction (\$4.605 billion less) compared to 2024. This reflects the economic challenges in Panama in 2025, as the government balances fiscal discipline with the need to stimulate growth.

Which sectors will drive economic growth in Panama in 2025?

Bethancourt commented that Panama continues to rely on traditional sectors to drive economic growth in 2025: ports, airports, tourism, and the Panama Canal. However, he emphasized the need to prioritize the industrial and agricultural sectors.

Will Panama grow 3% in 2025?

The World Bank (WB) has expressed that Panama should experience stable growth of 3% in 2025. However, the country faces economic challenges in Panama in 2025 related to inequality and the need for structural reforms.

How much will Panama's GDP grow?

The Ministry of Economy and Finance (MEF), under the leadership of Felipe Chapman, estimates that real GDP will grow by 4% and nominal GDP will increase by 6%. These projections are complemented by those from JP Morgan, which estimates a growth rate of 5.2% for Panama, while Moody's forecasts 4%.
