

Portable ESS system cost vs benefit calculation in Poland

Overview

What is the Poland Employment Cost Calculator?

Whether you're a small business owner in Poland, a HR professional, or an individual employee, our Poland Employment Cost Calculator is an essential tool to simplify complex financial calculations and provide clear, concise financial insights.

Should employers offer supplementary employee benefits in Poland?

In Poland, things like private medical insurance, life insurance, and business travel insurance are all supplementary employee benefits, meaning employers are under no obligation to offer these provisions. Indeed, this presents an opportunity for forward-thinking employers.

Are employers required to make social security contributions in Poland?

Yes, employers are required to make social security contributions on behalf of their employees. What percentage of the salary goes towards social security contributions in Poland?

The percentage varies but generally includes contributions to pension, disability, accident insurance, and labor funds.
