

Portable ESS system cost vs benefit calculation in Tanzania

Overview

How do payslips work in Tanzania?

The payslips also mention the amount that is contributed towards social security. Companies in Tanzania use integrated payroll solutions to design the payslips and distribute them to the employees. Recently, the Tanzanian government has started a website using which employees can get salary payslips.

What is ESS utumishi portal?

The main purpose of the ESS Utumishi Portal is to provide online facilities to all the employees of the Government of Tanzania. The Performance Evaluation Module (PEPMIS) in ESS helps employees and employers to set tasks, track performance, and update employee data.

How to set up a payroll in Tanzania?

Employers from the public sector have to make a contribution of 0.5% to the fund. When establishing a Tanzania payroll process, you must consider factors like minimum wages, overtime, applicable deductions, etc. You should maintain a payroll record where you mention all of these details.

How long does NSSF take to pay employees in Tanzania?

Employers need to send the amount to the NSSF within one month of the deduction date. There are no restrictions on the payroll cycle in Tanzania. The company can pay the employees daily, weekly, bi-weekly, or monthly, depending on the company's policy.

Are employers liable for workers' compensation in Tanzania?

Workers' compensation fund: In Tanzania, employers are also liable to make contributions to the workers' compensation fund. As of 2022, employers from the private sector have to pay 0.6% to the fund. Employers from the public sector have to make a contribution of 0.5% to the fund.
