

Portable ESS system project financing options in Nepal 2025

Overview

Are the SDGs integrated into Nepal's national plans?

The SDGs have been integrated into Nepal's national plans, including the 15th National Development Plan and the national SDG Status and Roadmap (2016-2030) document. However, as with many other countries, there exists a wide institutional disconnect between the planning process and budgeting and financing processes for development.

Why do SMEs need Finance in Nepal?

SMEs in Nepal have a low capital base, poor access to technology, and inadequate knowledge and information to help them scale their businesses. In accessing finance, they must deal with high and variable interest rates, large collateral requirements and protracted timelines to navigate cumbersome loan approval processes.

Why should SMEs be supported in Nepal?

Support strengthening of key investment market-system actors and foster partnerships for a conducive environment for foreign investments. SMEs in Nepal have a low capital base, poor access to technology, and inadequate knowledge and information to help them scale their businesses.

How can DFIs accelerate transformative investment in Nepal?

Support DFIs active or interested in Nepal with the ultimate objective to accelerate transformative DFI investment into Nepal. Facilitate coordination between DFIs to reduce risks, raise returns and enhance development impact.

What is the scale-up phase of DFI investment in Nepal?

This scale up phase is from July 2022 to July 2025. Support DFIs active or interested in Nepal with the ultimate objective to accelerate transformative DFI investment into Nepal.
