

Residential ESS tender price in Ireland 2025

Overview

How much have construction tender prices risen in 2024?

For tailored cost advice specific to your project, please contact us for a detailed consultation. The latest Tender Price Indices from the Society of Chartered Surveyors Ireland (SCSI) report a 1.5% increase in construction tender prices for the second half of 2024, matching the 1.5% rise recorded in the first half of the year.

Are tender prices rising in Ireland?

While the market is slowly recovering, there are still moderate increases. The latest Tender Price Index for Ireland, released in February this year, shows tender prices increasing by 1.5 percent, while the perception of contractors surveyed expect tender price inflation to be more than double at 3.6 percent in 2024.

Why has 2024 been a difficult year for Ireland's construction sector?

Get in touch. 2024 has been a challenging year for Ireland's construction sector due to the shortage of skilled labour, rising costs and uncertainties in project timelines and contracts.

How will tariffs affect tender prices in 2025?

Short - Medium Term Expectations
SCSI survey findings suggest that tender prices, along with labour and material costs, are expected to continue rising in the first half of 2025. A key concern for the industry is the potential impact of tariffs imposed on goods and services destined for the US, which could influence the.

How many new homes will Ireland deliver in 2025?

However, Ireland's unprecedented demand for new homes, driven by population growth and urbanisation, should galvanise opportunities in the residential sector to fulfil the government's ambition to deliver 50,500 housing

units annually between 2025 and 2030.

How resilient is Irish construction despite cost inflation?

But despite the ongoing challenges posed by cost inflation, particularly on materials and wages, Irish construction continues to demonstrate its resilience to driving infrastructure development despite shrinking in real terms by 5.1% this year.
