

Successful bid price of Solar Inverter project in Azerbaijan 2026

Overview

China's Huantai Energy Co., Ltd. has secured a contract to build 100 MW of solar in eastern Azerbaijan, after submitting the lowest bid of \$0.0354/kWh in the country's first renewables auction.

China's Huantai Energy Co., Ltd. has secured a contract to build 100 MW of solar in eastern Azerbaijan, after submitting the lowest bid of \$0.0354/kWh in the country's first renewables auction.

In the auction ran by Ministry of Energy, Universal International Holding Limited submitted the lowest bid, with a competitive tariff of US\$ 3.540 cents per kilowatt-hour (kWh). Universal International Holding Limited will now start working towards commissioning a 100 megawatt (MW) solar power.

China's Huantai Energy Co., Ltd. has secured a contract to build 100 MW of solar in eastern Azerbaijan, after submitting the lowest bid of \$0.0354/kWh in the country's first renewables auction. Azerbaijan's Ministry of Energy has concluded its first renewables auction by awarding a 100 MW solar.

The result was announced at the COP29 climate summit in Baku. Universal International proposed the lowest bid of USD 0.0354 (EUR 0.0335) per kWh. The project is scheduled to be commissioned in 2027. "This auction represents a major milestone in Azerbaijan's renewable energy sector. The selection of.

Universal made the lowest of \$0.0354/kWh to win the auction that was conducted with the support of the European Bank for Reconstruction and Development (EBRD) (see Azerbaijan Launches Maiden Renewable Energy Auction). The Chinese company is looking to bring the project online in 2027 in the.

Documents have been signed within COP29 between SOCAR Green LLC, the UAE Masdar company, the European Bank for Reconstruction and Development (EBRD), the Asian Development Bank (ADB), and the Asian Infrastructure Investment Bank (AIIB) for the financing of two solar energy projects in Azerbaijan.

The Ministry of Energy of Azerbaijan, with the support of the European Bank for Reconstruction and Development (EBRD), has announced the country's first renewable energy auction for a 100 megawatt solar power plant project in Garadagh. The public call for applications is accessible on the.
