

Successful bid price of enterprise ESS system project in Canada 2026

Overview

Contract history is information on contracts that Public Services and Procurement Canada (PSPC) has awarded to businesses since January 2009, on behalf of Government of Canada departments and agencies. The information includes the business's name and.

Where can I view and bid on tender opportunities?

Department of Public Works and Government. Department of Public Works and Government. Register your business to view and bid on tender opportunities published by Public Services and Procurement Canada. Get an overview of our policies and guidelines, procurement process, and more.

How many contracts has IESO executed?

The IESO has executed contracts with 13 selected proponents, acquiring 2,194.91 MW of new capacity scheduled to come into service between 2026-2028. As part of IESO's continued commitment to transparency, individual contract prices can now be found in the results tables.

How can ESDC reduce the cost of government procurement?

30. In the 8 competitive solicitation processes that OPO reviewed, ESDC frequently included options in the contract for requirements that involved recurring needs. This practice supports the simplification of government procurement by reducing the number of solicitation processes and, consequently, reduces the cost to both government and suppliers.

Does standardized procurement process reduce cost to bid for suppliers?

Using standardized documents and processes decreases the cost to bid for suppliers and potentially lowers bid prices for departments. 30. In the 8 competitive solicitation processes that OPO reviewed, ESDC frequently included options in the contract for requirements that involved recurring needs.

Why did IESO acquire a new power plant?

The procurement has resulted in competitive prices for new resources, municipal support, and significant Indigenous participation and equity ownership in projects. The IESO has executed contracts with 13 selected proponents, acquiring 2,194.91 MW of new capacity scheduled to come into service between 2026-2028.

What is evaluation of bids & contract award?

Evaluation of bids and contract award —the establishment of a process to ensure the consistent evaluation of bids in accordance with the planned approach, including an evaluation plan and instructions to evaluators, and the adequacy of documentation to support the selection of the successful supplier. 4.
