

Successful bid price of mobile ESS unit project in Tunisia 2025

Overview

How much is the Tunisian tender market worth?

The Tunisian tender market is estimated to be worth around 10 billion USD per year. This represents a significant opportunity for businesses that are interested in selling to the Tunisian government. Bidding for tenders in Tunisia is extremely lucrative for companies of all sizes.

How much is a project contract worth in Tunisia?

About \$6.9bn worth of projects contracts have been awarded in Tunisia since 2008, an average of about \$697m of awards a year. The value of annual project contract awards peaked in 2014 at \$1.3bn, when it was boosted by the award of the main contracts on the Nawara Gas Field Development: Gas Pipeline & Central Processing Facility (CPF).

How big is Tunisia's projects market?

Averaging about \$700m a year in contract awards since 2008, Tunisia is one of the region's smallest projects markets. But after a surge in activity in 2017 and with about \$18.6bn of planned projects, including some major power and transport schemes, Tunisia's projects market is set for healthy growth.

How has the Tunisian government changed its procurement process?

Increased use of electronic procurement: The Tunisian government is increasingly using electronic procurement systems to streamline the tender process. Greater focus on sustainability: The Tunisian government is increasingly focusing on sustainability in its procurement decisions.
