

Successful bid price of portable ESS system project in Switzerland 2025

Overview

Who can bid on Switzerland tenders?

All companies and individuals who are capable of fulfilling the requirements can potentially bid on Switzerland tenders. There might be additional restrictions based on domicile, experience and qualifications depending on the project's nature and complexity. What are the top products and services procured by Switzerland tenders?

.

What are the benefits of bidding on Swiss tenders?

A few of the benefits of bidding on Switzerland tenders are - Increased focus on sustainability: The Swiss government is increasingly focusing on sustainability in its procurement decisions. This includes factors such as energy efficiency, environmental protection, and social responsibility.

Is Bess being monetised in the Swiss electricity market?

It is being monetised in the Swiss electricity market by both CKW, part of Axpo, and utility Alpiq, the announcement said. The BESS is part of a network of power plants, consumers and batteries, it added. The large-scale BESS market in Switzerland has been relatively quiet with renewable penetration on the country's grid still relatively low.

How much is the Swiss tender market worth?

The Swiss tender market is estimated to be worth over CHF 300 billion per year. This makes Switzerland one of the largest procurement markets in Europe. The government is a major purchaser of goods and services, and its procurement spending has a significant impact on the Swiss economy.
