

## The winning bidder for the industrial park energy storage photovoltaic project

## Overview

---

China Construction Eighth Engineering Bureau Co., Ltd. and China Construction Capital Design Co., Ltd. won the bid, with a total investment of about 2.6 billion yuan. Project Overview.

China Construction Eighth Engineering Bureau Co., Ltd. and China Construction Capital Design Co., Ltd. won the bid, with a total investment of about 2.6 billion yuan. Project Overview.

On October 11, 2022, China Bidding Information Network released the announcement of the successful candidates for the supervision service of the 200,000-kilowatt (800,000-kwh) supporting energy storage and 800,000-kilowatt marketized grid connected photovoltaic power generation project of Xinhua.

[Shaanxi new energy Industrial Park project bid opening] On June 7, 2023, the Xixian New District public Resources Trading Center released the public announcement of the candidate for the general contract of the EPC project of the Jinghe New City photovoltaic New energy Industrial Park, the project.

On June 7, 2022, the Shaanxi Provincial Public Resource Trading Center released the announcement of the EPC general contracting results of the mechanical and electrical engineering expansion project of the LONGi Green Energy Photovoltaic Industrial Park in Xixian New Area. China Construction Eighth.

On April 25, 2023, the Shaanxi Provincial Public Resources Trading Center released the pre-qualification announcement for the first phase of the general contracting project of the Jinghe New City Photovoltaic New Energy Industrial Park Project in Xixian New District. The project belongs to the.

[Qinghai Haizhou 100MW/200MWh Photovoltaic Energy Storage Project Bidding] On October 20, 2023, China Energy Construction Qinghai Gonghe 1 million kilowatt power grid load storage project EPC general contracting project bid section 1 and section 2. Section 1 includes EPC bidding for 100MW/200MWh.
