

## Turnkey home energy storage EPC contract price in Iran

## Overview

---

Who is energiran & why should you choose EPC company?

ENERGIRAN has more than 40 years of experience in oil and gas industry and is known as a prominent EPC company. ENERGIRAN has the ability to manage and supervise projects. Correct commissioning is vital based on ENERGIRAN business strategy to the satisfactory operation of any plant or equipment. A schedule will be established with benchmarks.

Why should you choose energyiran for your EPC project?

Combining our keen technical team in ENERGYIRAN, with the expertise of our fabrication facilities in KMC as well as Iranian & foreign trading companies (METROPOL & APCOM), ENERGYIRAN is uniquely positioned to propose optimum solutions to resolve the customers' needs and issues for EPC projects.

Why should you choose EPC & KMC?

Grounding EPC projects of ENERGIRAN in the 'joint venture agreement' framework with the most qualified engineering consultants (both domestic and international supreme companies) and also combining it with KMC, we can provide the best quality in the shortest periods of time.
